NO APOLOGY FOR WIGS!

ATTENTION BALD HEADS. Of all the remedies ever devised for the restoration and preservation of the HAIR nothing has been found equal to ALBERT'S OLEAGINOUS HAIR TONIC. It seldom fails to restore the hair to health and beauty. Many who were bald a few months ago can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr S. S. Fitch.

Philadelphia May 10, 1839.

Dr Jayne. Dear Sir. I feel that I can hardly say enough to you in favor of Albert's Oleagin ous Hair Tonic prepared by you. My hair had been falling off about two years, and had become very much threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off.

I have used it now about three months, and have a full and thick a head of hair as I can possibly desire. I have recommended its use to a number of friends, who all speak well of it. I faithfully employed, I have no doubt of its success. I may add, that before using the Tonic, I had tried almost all the various articles employed for the hair, such as the Macassar Oil, all the different preparations of Bear's Oil, Vegetable Hair Oil, &c. &c., without experiencing much, if any benefit.

Respectfully yours,

S. S. FITCH

No 132 Chestnut street.

Copy of a letter from C. C. Park, Pastor of the Baptist Church at Haddonfield, N. J.

Haddonfield, N. J. Feb 12 1839.

Dr D. Jayne. Sir. I take pleasure in informing you that the bottle of Albert's Hair Tonic which I obtained of you last October, has proved satisfactory and successful. My hair had become exceedingly thin. But for two or three years past I had so fallen out, that my head had become almost entirely bald. I was under the necessity of concealing the baldness by combing the hair on the sides over it. But now, after using about half a bottle of the Tonic, I have as luxuriant a growth of hair as I ever had.

C. C. PARK.

The Rev. Leonard Fletcher, Pastor of the Baptist Church at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has now a fine growth of new hair over all that part of his head where he was bald. writes

"My hair is growing finely, I assure you."

L. FLETCHER

West Chester, Pa. March 2, 1839.

Mr Bond, one of the Compositors in the office of the Philadelphia Public Ledger, who had lost nearly all the hair from off the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of this Hair Tonic, one of whom was over sixty years of age. Four gentlemen connected with the Public Press in Philadelphia have also had their baldness removed by using this remedy. The Rev. Mr Parker, Pastor of the Presbyterian Church in Delaware County, Pa. who was completely bald over all the top of his head, and was also becoming considerably gray, has used only two bottles of this Tonic, and has not only a luxuriant growth of new hair upon his head, but all the gray hairs have disappeared, and their places have been supplied by healthy hair, of a natural color. Finally nine cases of baldness out of every ten may positively be removed by a faithful application of this valuable remedy. There is therefore, now, NO EXCUSE FOR A BALD HEAD.

Prepared only by Dr Jayne, sole proprietor, No 120 South Third Street, Philadelphia. Price $1,00 a bottle.

Citizens of Maine!

IN order to secure to you the true BRANDRETH VEGETABLE UNIVERSAL PILLS the sale of them in your State will hereafter be conducted in the following manner. But one travelling Agent

MR JOHN O LANGLEY

Will visit the State, whose authority to act for me will be made manifest, by his producing numerous Certificates signed with a pen by me with my Family Arms and those engraved upon a finely executed View of my Manufactory in New York State engraved thereon. Local Agents by observing this need never be imposed upon. Fifty Dollars Every Local Agent furnished with the genuine Pills will have one of those splendid engraved Certificates put up in his store. Observe this is signed with a pen. B. BRANDRETH, M.D. the Family Arms are embossed upon the paper.

SEE THAT THE DATE THEREOF IS ENGRAVED.

☞ No Certificate is my guarantee that the holder sells Genuine Pills after one year from the engraved date thereof.

☞ Purchasers by observing this need never be imposed by Local or Travelling Traders, who have no more principle than to deal in Counterfeit Medicine. See the reading on the side of the box, and never forget to ask for this.

CERTIFICATE OF AGENCY.

The forementioned Travelling Agent will make frequent calls upon Local Agents, furnishing them from time to time with supplies of the

Genuine Brandreth's Pills,

From my Principal New England Office,

19 HANOVER STREET, 19

BOSTON

☞ No Pills will be sold from me to retail in Maine but to the Local Agents, therefore should others not holding a Certificate of Agency proffer to have the Genuine Brandreth Pills, BEWARE THEREOF. ☞ One word to Traffickers in Counterfeits of my Pills. I am determined to PROSECUTE all infringements upon my just rights.

A list of my Local Agents in Maine will be published in most of the papers printed in that State. Purchasers must purchase Agents only, and you will avoid imposition.

If the genuine medicine is obtained there is no doubt of its giving perfect satisfaction, and if all who want are candid to say so the above directions, there is but little danger but they will obtain it.

In all kinds of sickness the great secret is to have the medicine by you when you are first attacked, for lose then will do more to get you into a state of health and disease has not entitled the body powers. Let me then recommend to every individual to consider health a blessing to keep a box of them where he can put his hand on it when wanted. Twenty five cents cannot possibly be better disposed of, a valuable life may be saved or a long spell of sickness prevented.

They have cured to see their introduction into the United States probably nearly 300 000 persons of consumption, influenza, colds, indigestion, dyspepsia, headache, and sense of fullness in the back part of the head, usually the symptoms of apoplexy, jaundice, fever and ague, bilious, scarlet, typhus, yellow and common fevers of all kinds, asthma, gout, rheumatism, nervous disease, liver complaint, pleurisy, inward weakness, depression of the spirits, ruptures, inflammation, sore eyes, itch, palsy, dropsy, small pox, measles, croup, coughs, whooping cough, colics, pains, aches, cholera morbus, gravel, worms, dysentery, deafness, ringing noise in the head, king's evil, scrofula, erysipelas or St Anthony's fire, salt rheum, white swellings, ulcers, some of thirty years standing, cancers, tumours, swelled feet and legs, piles, costiveness, all eruptions of the skin, particularly ring worms, frightful dreams, female complaints of every kind, especially obstructions, relaxations, &c.

Although it will only be five years next May since the first office was established in New York, yet in that time I have sold over NINE MILLIONS OF BOXES and have now seventeen offices for their wholesale sale, at least one in every principal city of the Union at an expense of nearly forty thousand dollars per year. And with the expenses of advertising and other incidentals this sum was a little over one hundred thousand dollars for the year 1839, some idea may be formed of how the medicine is appreciated from these facts. They are indeed the greatest blessing that ever yet has been bestowed upon man.

I suppose a hundred volumes might be filled with certified cases of cure, solely by Brandreth's Vegetable Universal Pills, on all the above mentioned appearances of only one disease, all really proceeding from Impure Blood.

Important Caution.

IT is a singular fact and one much to be regretted that valuable medicines as soon as they become popular and have received the test and approval of a discriminating public are sure to be counterfeited and thus a foul and spurious article is immediately palmed upon the unsuspecting as the genuine. This has been notoriously the case with all popular tried and truly valuable medicines for years past and will probably continue to be the case for years to come.

The base and contemptible counterfeiter in this way meanly takes advantage of all the efforts and the advertising used by the proprietors of the genuine article to get for his concoction that support deserved popularity. It is therefore not less the duty than it continues to the safety of every honest individual in the community to expose from time to time and forever after distrust all the heartless agitators, who thus trespass by trifle with health and life.

FIEL BE TORE TAKE NOTICE.

There is personally the name of "DR. LOCKPORT" now engaged in selling a Pill done up in boxes in part and perfect imitation of the genuine INDIAN VEGETABLE PILLS with the omission of only one word on the boxes viz WRIGHT. The Pills sold by this Rochester are evidently intended as a fraud and imposition upon the community or they would not have been done up in such exact imitation of the genuine. This person is still advertising, with a great Theatrical flourish. He was recently known as a very poor player in Baltimore under the name of Mr. Brown and is about twenty five years of age. It is almost beyond a doubt that he is supplied with the Pills from an Druggist from this city who have been heretofore notoriously connected with counterfeit medicines. As soon as proof is obtained, the fountain head of this nefarious business will be exposed. That the community may shun this scoundrel is the sincere wish of

IN THE MEAN TIME THE PUBLIC ARE CAUTIONED

against buying WRIGHT'S Indian Vegetable Pills of any one who does not exhibit a certificate of agency signed by the agent for the New England States and bearing date since January, 1840. Also the particular notice that the following word is on the Paper

WRIGHT'S *Indian Vegetable Pills* (Aloe and Purgative) of the North American College of Health.

THE INDIAN VEGETABLE PILLS are a certain cure for disease in every variety of form because they thoroughly cleanse the stomach and bowels to effect a proper discharge by the lungs, skin and kidneys and stimulate the blood to purity itself. In other words they open all the natural drains and leave NATURE (THE GRAND PHYSICIAN) free to drive disease from the system. The above outlets or drains, are the ministers of the body, through which all morbid and corrupt humors (the cause of disease) are carried off and so long as they are all kept open and discharge freely their offices portions of impurity the body will continue in health: but when from taking improper food, breathing impure air, sudden transitions from hot to cold, over exertion of body, or the recess the bowels become costive, the pores of the skin become closed or the kidneys fail to perform their functions properly, the impurities which should be drained from the body by those outlets will be retained, and continue to accumulate until the body becomes literally loaded with disease.

The above pills may be taken at all times and under all circumstances with perfect safety. They suit all complaints and all ages in either sex alike to the Lunatic or Infant as both consequently they cannot offend even the most delicate. Like our food they are digestible, therefore they enter into the circulation and impart an energy to the blood which enables it to flow with freedom onto the extremities and consequently to keep the pores of the skin open. They are true and perfect purifiers of the blood, because they drain all corrupt humors from it like a sponge. They impart strength and vigor to the whole system and their effects are always beneficial, because they only remove those humors which are opposed to health. They aid and not change or confound, therefore follow their use, because they cleanse the stomach and bowels of their slimy humors which not only irritate and excite the nervous system but paralyze and weaken the digestive organs. In short they possess all the good properties that can be claimed for any medicine, and what is very remarkable it is utterly impossible to use them without benefit.

Price 25 cents per Box with full Directions.

☞ Office and General Depot for the New England States No 198 TREMONT STREET, near Court street, Boston.

☞ The Regular appointed Agents can receive their supplies of the above popular Pills as heretofore from the ONLY OFFICE and GENERAL DEPOT for the New England States 198 Tremont street, Boston.

☞ Peddlers or travelling Agents are not allowed to sell the Genuine Indian Vegetable Pills therefore never purchase it neither for if you do you will be sure to obtain a DANGEROUS and Counterfeit article.

The extraordinary chemical compound on the result of science and the invention of a celebrated medical man the introduction of which to the public was invented with the solemn belief and repeated request has since gained confidence unparalleled fully sustaining the correctness of the lamented Dr Godfrey's last confession that he dared not die without giving to posterity the benefit of his knowledge on this subject and he therefore bequeathed to his friend and afterward Solomon Hays the secret of his discovery.

It is now used in the principal hospitals and the private practice in our country first and most certain for the cure of the Piles and is so extensively and effectually as to battle credulity unless who reads effects are witnessed. Extremely in the following complaints.
